

Worked All Ohio State Parks Award

- Contacts made after September 1, 2008 qualify for this award
- Contacts must be verified by QSL card only (no eQSL, no LoTW). Cards must specify the Ohio State Park claimed for credit
- Contacts can be on any of the Amateur HF and VHF bands, any mode. Repeater contacts are not eligible for this award, nor can a repeater be used to solicit contacts
- Stations submitting proof of contact with all 75* Ohio State Parks will receive a numbered certificate, the first 10 will also be eligible for a plaque
- Stations submitting proof of traveling to and activating all 75* Ohio State Parks will receive a numbered plaque
- All stations submitting for a certificate must forward a Worked All Ohio State Parks Award (WAOSPA) application along with a 9" x 13" SASE
- All stations submitting for a plaque must forward a WAOSPA application along with a \$7.95US money order payable to: Thomas R. Sly, to pay for shipping and handling. (*Tom Sly, WB8LCD is the WAOSPA sponsor, The ODNR and PCARS are not affiliated with this award program*). Use the address in QRZ.com for WB8LCD.

For an application, contact WB8LCD by e-mail: tomsly29@gmail.com

** There are currently 75 Ohio State Parks. This number can change as the number of Parks changes in the future. "All Ohio State Parks" will be defined as all current parks at time of application for the award.*
