- ∗ **- Each X in the "Active?" column represents one station that has expressed interest in operating OSPOTA from that park. X = one station, XX = two station, etc.**
  **- An R in the active column represents one station that has expressed plans to visit the park as a Rover. Watch the spotting networks, social media, or the OSPOTA@groups.io for times & Frequencies.**

Disclaimer – This Parks Activation list is only as good as the information we receive from you. We will do our best to get the information posted as quickly as possible, but due to non-radio priorities, there will be times where there will be a delay.

- If your information has not been added within 48 hours, please repost.
- If your information changes, please notify us as soon as possible.
- Please keep in mind that more than one station can be activating a particular park. There are no exclusive rights to any park.
- This is supposed to be a FUN contest, so please – get out there, enjoy the State Parks and have some ham radio fun at the same time. And remember to use good Amateur Radio operating practice.

To get your operation posted to this list, please send an e-mail to plannedparks@ospota.org

You can also post your operation to the groups.io OSPOTA reflector.
